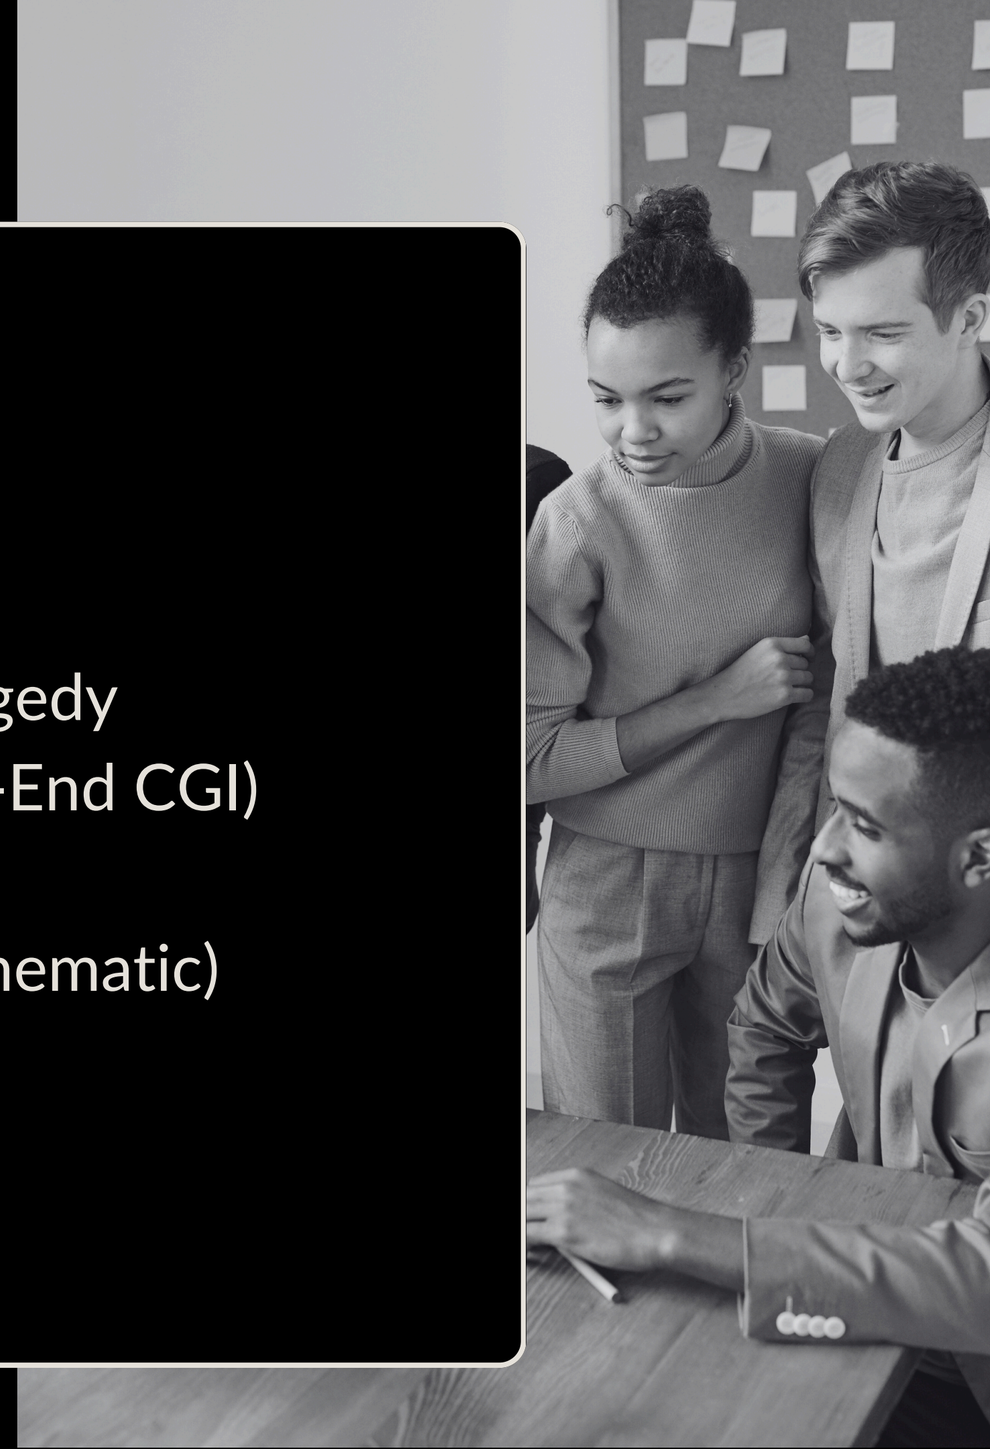
AARAV

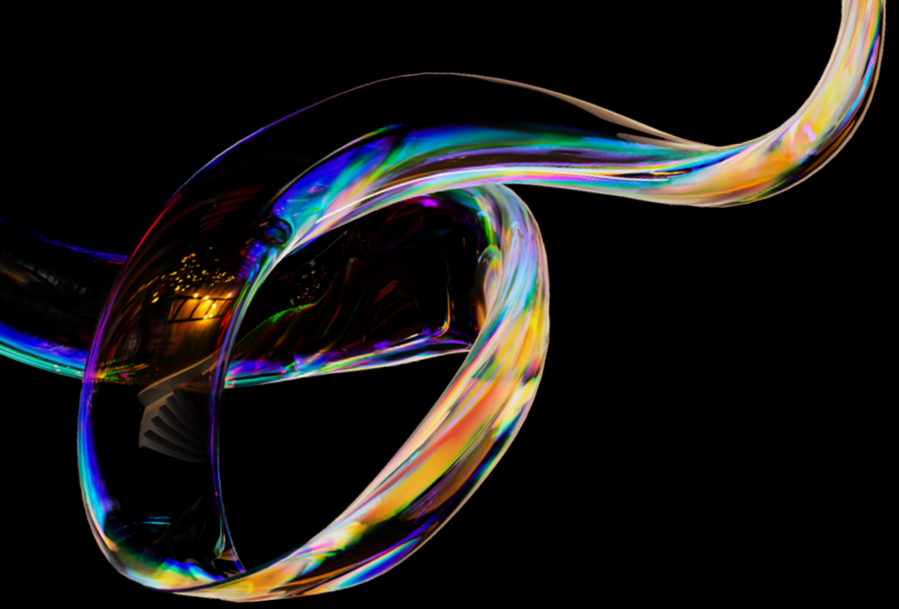
Present by Benny joel

AARAV

A Story of Love, Loss, and Rage

- Genre: Emotional War Drama / Tragedy
- Format: Cinematic Short Film (High-End CGI)
- Duration: 1–3 minutes
- Engine: Unreal Engine (Real-time cinematic)





LOGLINE:

A loving yet emotionally distant father loses his entire family in a sudden act of destruction, triggering a transformation fueled by grief, guilt, and uncontrollable rage.

- The Cost of War
- Regret & Unexpressed Emotions
- Revenge

SCRIPT

FADE IN
EXT. VILLAGE – DAWN

Mist over fields. Roosters crowing. Women carrying water pots.

Children running barefoot.

Peaceful… simple life.

INT. MUD HOUSE – DAY

Dim light from oil lamps.

Mother cooking on a wood stove.

Elder son grinding grains.

Middle son running around playfully.

Little daughter holding a handmade doll.

PLAYFUL CHAOS

MIDDLE SON
(laughing)
Give me that!

He snatches the doll.

DAUGHTER
(shouting)
Nooo!

She cries.

Elder brother gets angry.

ELDER SON
Stop it! Enough!

Raises his hand—

FATHER ENTERS

Door creaks.

Heavy footsteps.

FATHER
(low, firm)
Stop.

Silence.

Elder son immediately steps back.

ELDER SON
Yes, father.

He returns to work.

Father stands—emotionless, strong presence.

SOFT CONTRAST

Daughter walks to him.

He kneels… face softens.

FATHER
(gentle)
Who troubled you?

She hugs him.

He smiles faintly.

Middle son watches… unnoticed… a little hurt.

CUT TO:
EXT. FOREST – SUNSET

Orange sky.

Father and elder son chopping wood.

Axes hitting logs echo.

ELDER SON
Father… will we return before night?

Father nods.

✴ DISTANT EXPLOSION

Ground trembles.

Birds fly away suddenly.

Another blast.

Smoke rising near village.

PANIC

Father drops wood.

FATHER
Run!

EXT. PATH – CONTINUOUS

They run desperately.

Sound of heartbeats.

Breathing heavy.

EXT. VILLAGE – NIGHTFALL

Village in flames.

Houses destroyed.

No voices… just crackling fire.

⚡ TRAGEDY STRIKES

SCRIPT

A sharp metal shard flies from the distance—

Pierces elder son’s chest.

SLOW MOTION

He looks at his father.

Falls.

ELDER SON
(weak)
Father…

Gone.

FATHER’S BREAKING POINT

He holds him.

Face trembling.

Eyes slowly turning red.

Not crying… just burning rage.

He gently lays him down.

RUN THROUGH HELL

Father runs through burning ruins.

Bodies. Silence. Smoke.

THE LOCKET

He spots something in mud—

His wife’s locket.

Covered in blood.

His hand shakes.

EXT. HOUSE – NIGHT

Half destroyed mud house.

Roof broken.

Fire flickering inside.

INT. HOUSE – CONTINUOUS

Dark. Dust floating.

He walks slowly…

Each step heavy.

FINAL HORROR

His wife… lifeless… eyes open…

Holding—

His daughter’s small severed hand.

Her body destroyed beside her.

CLOSE UP

Father freezes.

Then—

🩸 BLOOD TEARS

His eyes bleed.

He clutches his chest in unbearable pain.

Falls to knees.

LAST SHOT

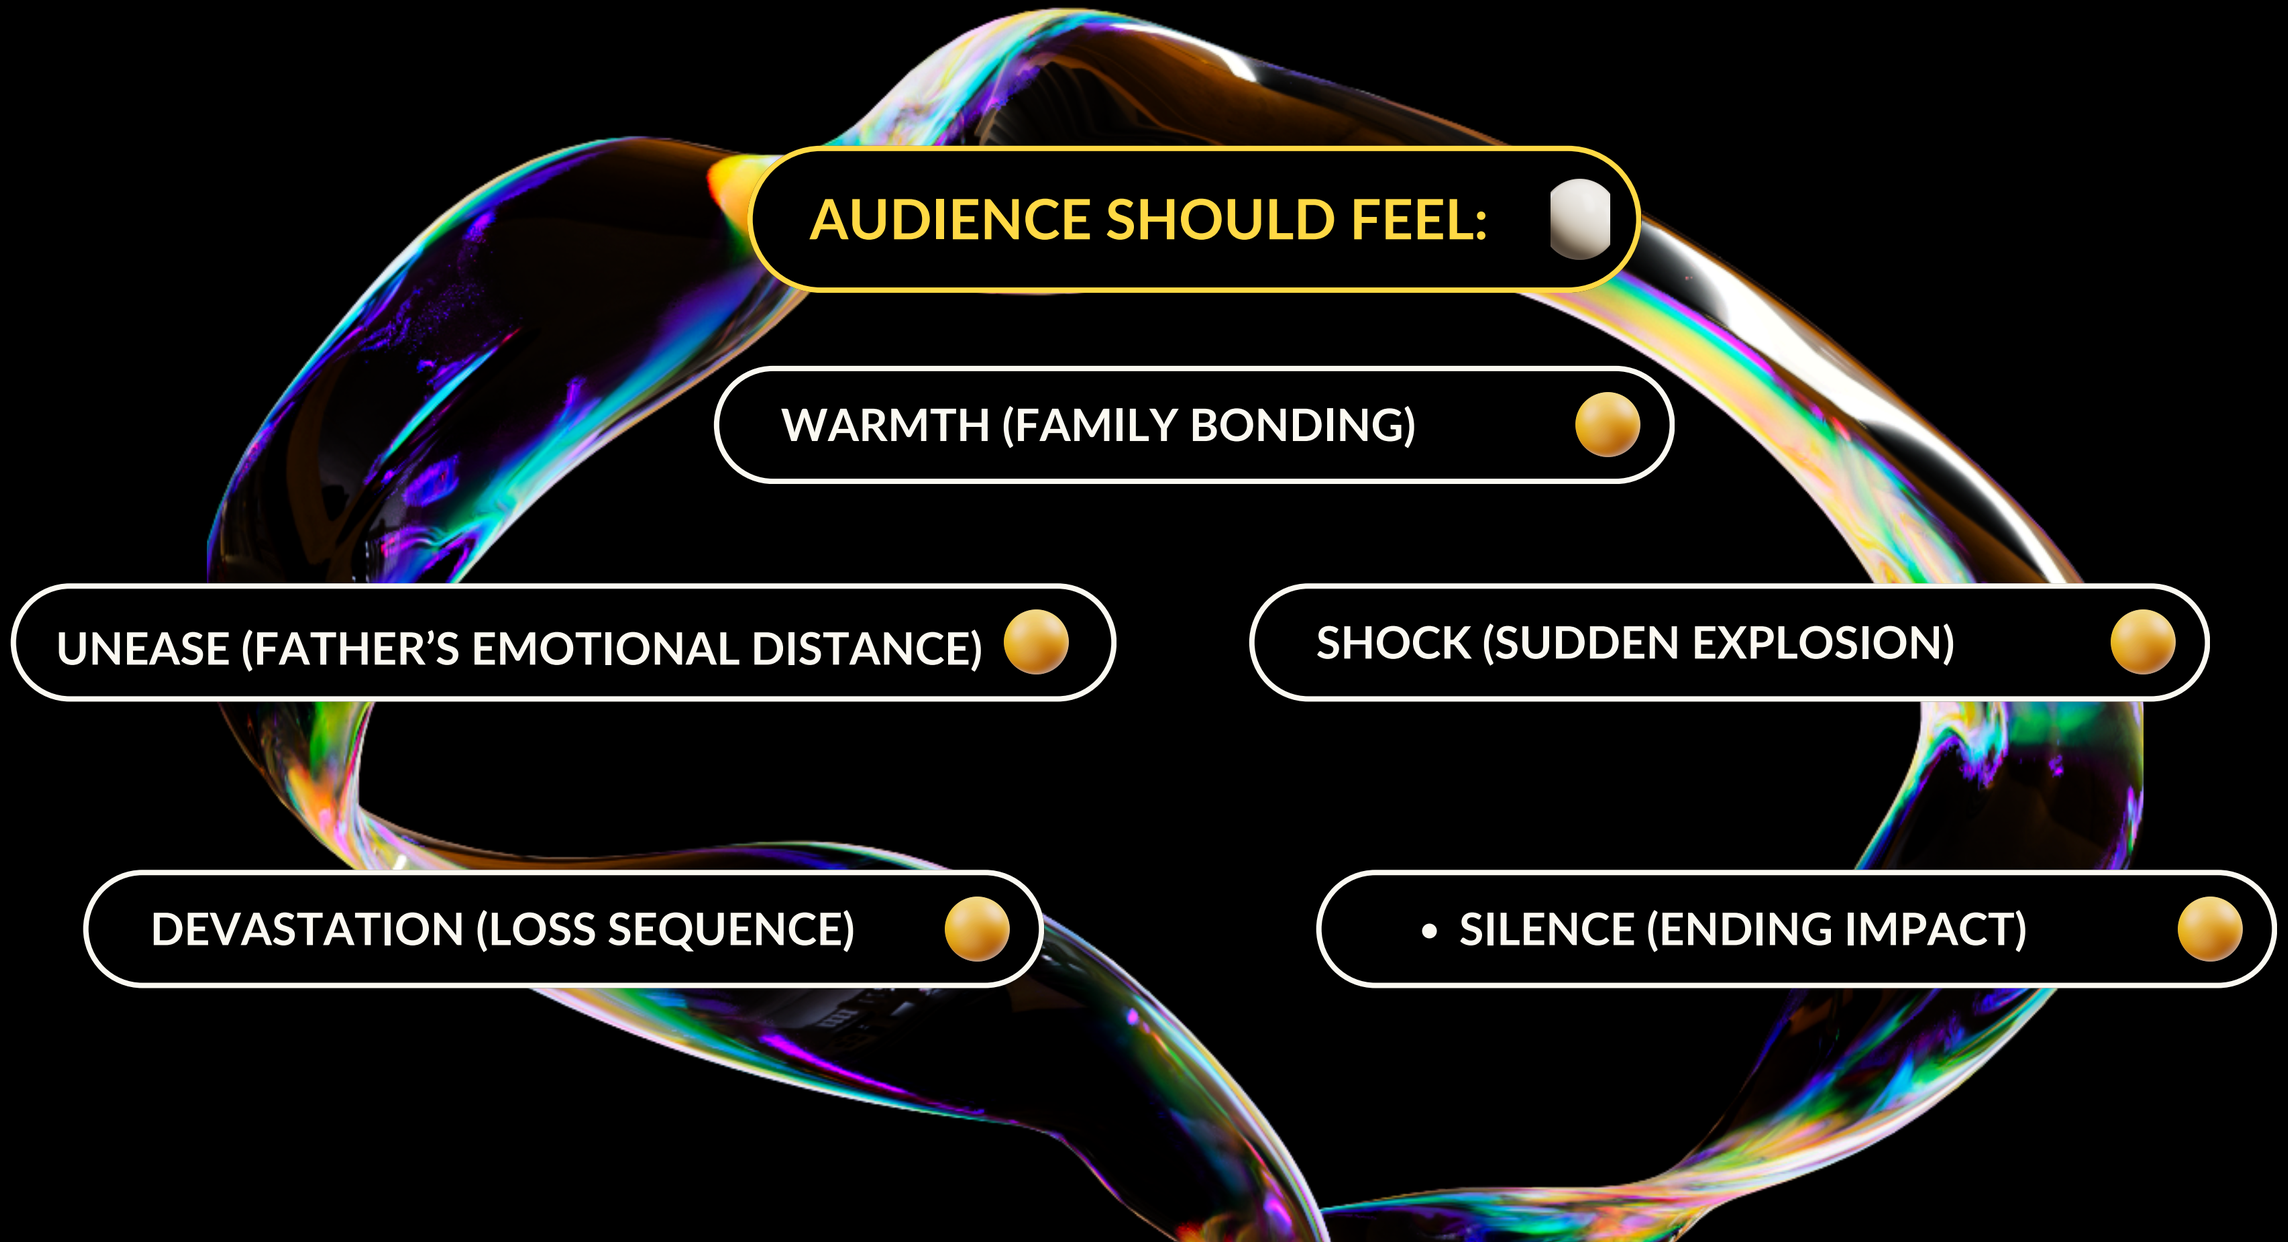
STORY TONE & STYLE

- Dark, grounded, emotional
- Realistic human expressions (not stylized)
- Slow build → sudden destruction → emotional collapse

Visual Style:

- Medieval rural environment
- Warm tones → shift to cold, smoky destruction
- Cinematic lighting (natural light, firelight, volumetrics)

TARGET EXPERIENCE



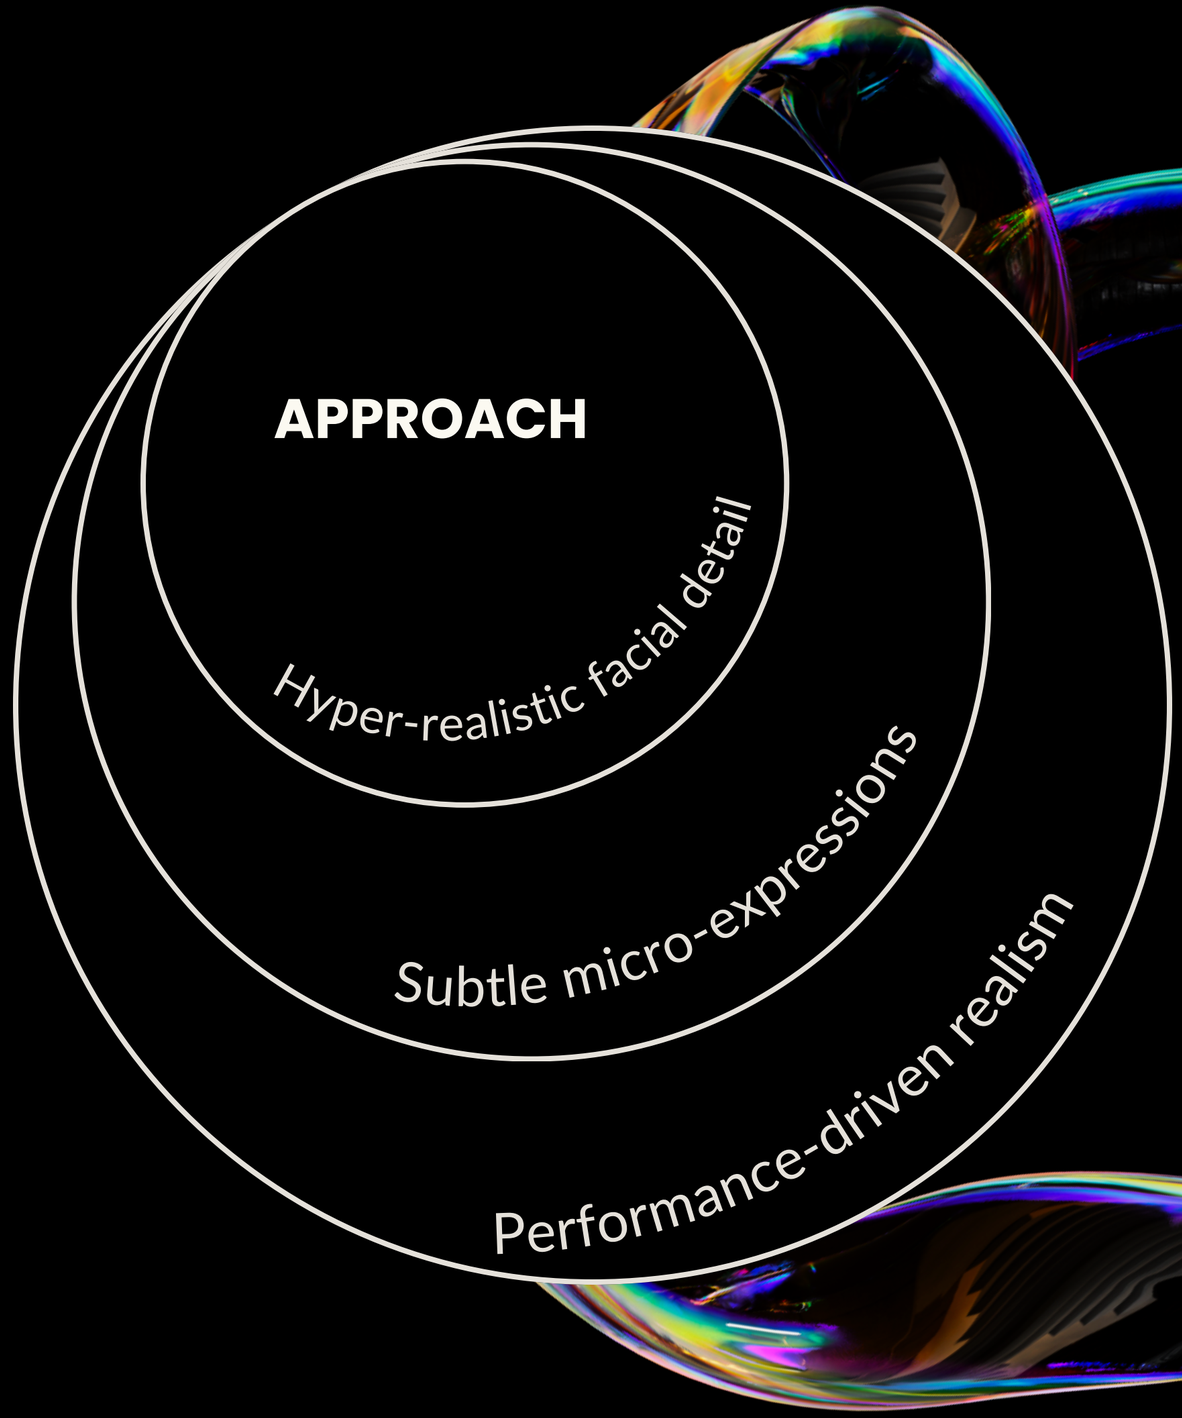
AUDIENCE SHOULD FEEL:

- WARMTH (FAMILY BONDING)
- UNEASE (FATHER’S EMOTIONAL DISTANCE)
- SHOCK (SUDDEN EXPLOSION)
- DEVASTATION (LOSS SEQUENCE)
- SILENCE (ENDING IMPACT)

CHARACTER DESIGN APPROACH

- Main Characters

- Father (Aarav) – Strong, emotionally restrained
- Mother – Warm, nurturing
- Elder Son – Obedient, disciplined
- Middle Son – Mischievous, energetic
- Daughter – Innocent, emotional core



CHARACTER PIPELINE

- Base Creation:
- MetaHuman (**Unreal Engine**)
- Customization:
- Sculpt refinement in **ZBrush**
- Topology + adjustments in **Maya**
- Photoreal Enhancement:
- **Photogrammetry** (your own scans for realism)
- Final Integration:
- **Unreal Engine MetaHuman system**

CLOTHING PIPELINE

- Designed in Marvelous Designer
- Simulated for realism (wrinkles, folds)
- Export to Unreal Engine
- Real-time cloth physics (if needed)
- Style:
- Medieval rural clothing
- Worn-out textures, dirt, realism

ENVIRONMENT DESIGN

Engine: Unreal Engine

Method

- Photogrammetry for assets (rocks, ground, props)
- Procedural set dressing
- Custom modeling (Maya/ZBrush where needed)

Environment Features:

- Mud houses, wooden structures
- Fire-lit interiors
- Destruction simulation (post-blast)

CINEMATOGRAPHY

- **Engine: Unreal Engine**

Method

- Real-world camera simulation (Unreal Cine Camera)
- Depth of field for emotional focus
- Handheld feel during chaos
- Slow motion for impact moments

LIGHTING STRATEGY

Engine: Unreal Engine

Method

- Natural daylight (soft bounce)
- Firelight (flickering shadows)
- Smoke + volumetric lighting post-explosion

VFX & SIMULATION

Engine: Unreal Engine

Method

- Explosion effects (Niagara in Unreal)
- Debris simulation
- Smoke & dust layers
- Blood FX (stylized but realistic tone)

PRODUCTION PIPELINE SUMMARY

- Storyboarding
- Character Creation (MetaHuman + ZBrush + Maya)
- Environment Build (Photogrammetry + UE)
- Animation / Performance
- Lighting & Rendering (Unreal real-time)
- Final Edit_Nuke

UNIQUE SELLING POINTS (USP)

- Fully real-time cinematic (Unreal Engine)
- Photogrammetry-based realism
- Custom MetaHuman workflow
- High emotional storytelling with minimal dialogue
- Indie-level production with studio-level quality

FUTURE POTENTIAL

- Portfolio piece for VFX / game / film industry
- Festival submissions
- YouTube cinematic release
